We are pleased to celebrate our 7th anniversary today on the 18th August.

These seven years have been special to us. Our clients from various countries and walk of life have found extraordinary formula of the life to live happily after the trek/tour with us. Some of our clients enjoyed the deeply connected energy in Nepal and loved “to be in Nepal and experience the power and beauty of the Himalayas”. Our clients feel the beauty of the Himalayan Mountains and her profound effects on inhabitants inculcated in the character of the Nepalese people: all gentle, friendly and very hard working.

In statistics our 97.9% clients have trekked without any sorts of sickness in the high Himalayas. We happily serve 99.6% clients with full satisfaction. We are happy to announce that 10.42% of our clients have made more than three trips with us.

Our Clients are always SAFE in our hand, SATISFIED with our arrangements, and have found value in our SERVICES we provide. We thrive to provide the same in future in line with our mission “*Our clients get the best possible. Add some unique flavors in their life. And start to live a new life after the trek/tour with us*”. We have changed, motivated, encouraged, and teach to celebrate their new life after the Trek/Tour with Trek2himalayas.

Once again I would like to thank you all our valuable clients, suppliers, travel agency partners and well-wishers in this occasion.
